

J. D. Ayurvedic Medical College, Aligarh

&

Vishwa Ayurveda Parishad

Organising a Workshop

AYURVEDA KAUSHALAM

On

**Panchakarma In Day To Day Practice
& Emergency Management In Ayurveda**

Venue:

**J. D. Ayurvedic Medical College
& Hospital, Bhankari, Aligarh**

SUNDAY

**10th SEP 2017
9AM To 5PM**

"Arogya is the main root factor for achievement of Purashartha chatusthaya, i.e. Dharma, Artha, Kama & Moksha which is a destination of the Human Being.

Ayurveda the Divine & Scientific knowledge is ultimate approach for this attainment. No doubt "Ayurvedic Practice" is a big challenge & we have to accept it. As it is said & wrongly believed that the level of emergency management in Ayurveda is poor, but it is not likely so, It is only due to lack of exposure. Again Panchakarma chiktsha is a growing field in Ayurvedic practice. So we must have to know the tools & techniques of this practical science with respect to ancient & modern technology."

Hence we are here conducting this workshop for "Panchakarma Practice in day to day life" & "Emergency management in Ayurveda". You are cordially invited for the programme.
